WHO ARE WE?

MISSION • OBJECTIVE

The Accounting Student Association (ASA) of Michigan State University is organized by students to provide those with an interest in accounting the opportunity to learn more about the profession and the many alternative careers paths within it. We strive to connect our members to prospective employers and prepare them for life beyond the Broad College of Business. We provide opportunities to network and develop professionally and academically. All Spartans and Broad students are encouraged to join.

WHAT DO WE DO?

SPEAKERS • SEMINARS • TRIPS • SOCIAL • SERVICE

The ASA hosts guest speakers to introduce you to the many careers that accounting majors can follow such as those in industry, academia, public or government accounting firms. It holds seminars to help with career development and plan corporate trips. Social events provide opportunities for students to meet with others with similar interests, and community service events allows the ASA to give back to those in need and grow professionally and holistically.
